PGA Junior League (PGA JL) is modeled after other youth sports and gives kids of all skill levels an opportunity to play in a non-threatening competition. The participants will play a two-player scramble, match play format. The more advanced juniors will want to play to enhance their golf "resume" and to end up being a role model and mentor for the younger team members. Younger team members will enjoy a unique golf experience where they play as a team. A team consists of juniors 13 years of age and younger as of July 31<sup>st</sup>, 2021. The fee per player this season will be \$350. Below is what each player will receive. **Scholarships are available to youth players who qualify for financial need.**
